What is your proposed den project?

How will your proposed den project be used by, and what benefits will it bring to the rover crew?

Is this a new skill for you?

What materials will you use?

How long do you think it will take you to complete? (Please nominate a suitable deadline for yourself).

How much do you plan to spend? Please be realistic, and if possible list how much you plan to spend on each material/item/part. Additionally, please nominate a maximum you think you will spend. This will need to be approved by the knights.

Please include any drawings/plans for your den project here.
